

## HERITAGE HILLS RESORT

As a valued guest to the Heritage Hills family, we appreciate the trust you place in us when you visit our resort. Communication and Integrity are two of our core values, and that's why we want to update you on the situation with COVID-19 (the coronavirus) and the steps we are taking to ensure your health and safety during your visit.

We understand that in today's world, travel and entertainment are fundamental to everyone's business and to our personal lives, which is why we are taking steps to ensure that life simply does not stop. We believe Heritage Hills' purpose of enriching the lives of our guests by creating memorable experiences and meaningful connections is even more important at times like this. When you visit the resort you will see additional personal disinfectant facilities and enhanced cleaning and disinfecting protocols in place.

We are regularly monitoring the recommendations and guidelines provided by the Centers for Disease Control and Prevention (CDC), state and local authorities, and will follow their directives in the best interest of our guests and staff.

**At this time, based on information and guidance from our sources, all events at Heritage Hills Resort and Heritage Hills Athletic Club are currently proceeding as scheduled. We will immediately notify you should this change.**

We are committed to providing you with the information you need to make informed decisions about your business and personal activities. We also understand the need for flexibility based on your individual circumstances. Please contact a member of our staff or Sales team to ensure your particular needs are being met.

Thank you for your continued trust in Heritage Hills.
